

Homework #6: Family

Due: 2/24/2020

Using pages 147-149 in the *Beginning Tlingit Workbook*, come to class with a family tree (see pages 164 & 165 for an example) & be ready to talk about your family members. You are welcome to create family members if you so choose to introduce and talk about if that is more comfortable. Bring photo's to use if you would like (though this is not required) to help you internalize the vocabulary. We will take some time to work on this in class as well, so just getting started is fine. Also take a look at the verbs in the chapter (6) as we'll be going over them in class as well.
