

## Homework #8: Story Reading

Due: 4/8/2020

For this week, I'd like us to finally read Beaver & Porcupine. Read it out loud to yourself, your family members, your pets. Practice some of those trickier sounds. Once you're comfortable, I'd like you to schedule a time to Zoom with myself or Sage Logan, to check in on pronunciation by reading the story to one of us. If you're more comfortable with friends, you are welcome to Zoom in as a small group. Alternatively if Zoom is not an option for you, an audio recording sent as an email will also work.
